

Remarks

In response to the Notice of Non-Compliant Amendment dated March 24, 2008, Applicants provide this corrected response to the Restriction Requirement of October 4, 2007.

Applicants elect invention I corresponding to claims 1-6, 48-59, and 71-75 and drawn to a method and system for providing private air travel to a customer comprising establishing a pool, obtaining requests with parameters, selecting from the pool and matching the request in accordance with the parameters. This election is made without traverse or prejudice. Applicants have withdrawn claims 7-47, 60-70 and 76-83.

Applicants believe that no extension of time is required, but this conditional petition is being made to provide for the possibility that the need for a further additional extension of time has been inadvertently overlooked. If additional fees are required, please charge deposit account number 19-4972. If the examiner has any questions, please feel free to contact the undersigned at (617) 443-9292.

Respectfully submitted,
